MAHA RUDRAM

Friday, September 3rd—Sunday September 5, 2010

Lord Shiva destroys the evil and bestows Bliss & Immortality on those who do Rudra Parayana. He is "Ashutoshin" - easily pleased. The easiest method of propitiating Him is by the chanting of Rudram. Chanting of 11 Anuvakas (chapters) of Sri Rudram once followed by 11 Anuvakas of Chamakam, is the most common method practiced in day-to-day worship in temples around the world.

- Chanting of Rudram 11 times is called Rudraikadshini.
- Eleven (11) Rudraikadashini forms one Lagu Rudram.
- Eleven (11) Lagurudram (Chanting Sri Rudram 1331 times) forms one MAHA RUDRAM.
- Eleven (11) Maharudram forms one Ati Rudram.

The opportunity to witness and participate in a Yajna of this significance and magnitude comes rarely. With God's Grace, the people in Wisconsin and Midwest will have the opportunity to witness over 6 Acharyas and 60 Ritwiks chanting Sri Rudram 22 times on September 4th, 2010. It will be a unique experience to hear the chanting of veda mantras in chorus. We urge everyone to support and participate in this grand three day function and receive the divine blessings of Sri Uma Maheswara.
